NARRATIVE FOR PATROL OFFICER JULIO J QUILES

Ref: 24-58-AC

Entered: 02/16/2024 @ 2054      Entry ID: 197  
Modified: 02/16/2024 @ 2204      Modified ID: 197

I, Officer Julio Quiles, of the Wilmington Police Department report the following as a summary of the facts:

On Thursday, February 15, 2024, I was working uniformed patrol assigned to station officer duty on the 4:00 PM - 12:00 AM shift. At approximately 8:03 PM, Laurie A. Strock walked into the station lobby to report a past motor vehicle crash.

Mrs. Strock stated that she was traveling east bound on Lowell Street towards the I93 highway earlier today at approximately 7:35 PM. She was stopped at a red traffic control light at the intersection of Lowell Street and Woburn Street, when she was rear ended by a motor vehicle described as a 2014, black, Jeep Compass, bearing New Hampshire registration number 4849627. She spoke with the female operator who identified herself as Madelina. They had a brief conversation and observed very minor damage to their vehicles if any. Madelina provided her name and cell phone number to Mrs. Strock and parties went on their way. Mrs. Strock stated that she then drove to pick up her daughter and called the police to report the crash. She was advised by dispatch that they could send an officer to her location, or she could come to the station to file a report.

Mrs. Strock provided me with a picture of the Jeep's license plate and a computer check showed that the vehicle was registered to a Maxie Madelina Guerra. Mrs. Strock stated that she is currently feeling like she sustained injuries of "Whiplash in her neck area and believes her teeth shifted." I asked her if she wanted to be checked out by members of the Wilmington Fire Department, and she said, "Yes." I advised dispatch to start the FD to the lobby. Mrs. Strock was then evaluated by members of WFD. She refused to be transported to a hospital by ambulance and stated that she would have her family members take her to the hospital. I inspected Mrs. Strock's motor vehicle and did not observe any fresh damage to the rear bumper. I did observe the rubber protection seal that attaches to the top of the bumper had a small section which appeared to have separated from the bumper, however it appeared as if that has been in that condition for over a day based on the dirt and debris. I then took photographs of the bumper area (See images). I advised Mrs. Strock on how to complete an accident report and that I will be sending her all the required documentation after I speak with Madelina.

I was later able to get in contact with Ms. Guerra and she confirmed that they were involved in a motor vehicle crash. She corroborated Mrs. Strock's statements, but claimed that it was a very low speed and low impact crash. She claimed that she only tapped Mrs. Strock's rear bumper, they spoke, and agreed that there was no visible signs of damage to their vehicles. I asked Ms. Guerra if she sustained any injuries and she said, "No." I advised her that Mrs. Strock is claiming injuries from the motor vehicle crash.

I advised Ms. Guerra that there will be a report of this accident on file here at the station. I then advised her that she will need to complete her own accident report and that I will be mailing her all the required documentation. I also advised her to call 911 in the future if she were to ever be involved in another accident. Ms. Guerra stated that she understood.

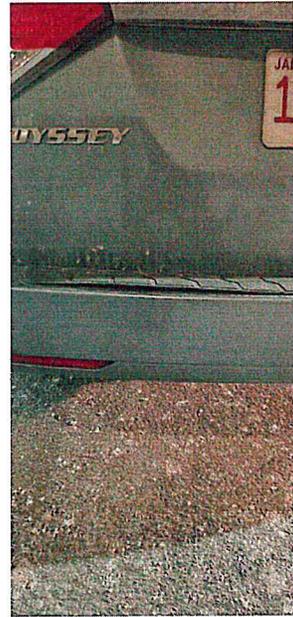

Respectfully submitted,

*Julio J. Quiles*
