Question # 4 on the application

Have you **ever appeared** in any court as a defendant for any criminal or criminal traffic offense? Many traffic offenses are criminal so make sure you know the correct answer before answering the question. You do not have to put down minor traffic offenses that are civil infraction like a speeding ticket.

Key word, **appeared**, do not confuse this with arrested just because you were not arrested does not mean you should answer no to this question if in fact you did **appear** in court, as the question asks.

Having been arrested and convicted of certain crimes does not necessarily prohibit you from getting your LTC or FIC Card. Not putting the information down on the application does.

Understand the "**ever appeared**" includes all adult and juvenile appearances. It does not matter if you were found not guilty, if the charges were dismissed or continued without a finding, you have to put it down. If you do not answer truthfully we will find out, no matter how long ago. If you have a sealed record, let us know as some sealed records have disqualifying information and some do not, which we will find out. The Firearms law allows us to review sealed record so put it down.

We will not accept "I forgot", "They told me it would not show up", "It never showed up before", "That was so long ago"

If you are not sure put it down, remember you are signing under the penalties of perjury and you will be denied a license for that and you could face prosecution.

If you are a renewal applicant make sure you answer this question correctly. I did not put it down the last time is not an excuse for being untruthful on your application. Firearms laws have changed substantially in recent years and what may not have been a disqualifier before may now be. Being untruthful is always a disqualifier.
